Phone: 01440 702946

Headteacher:

Mrs Vicky Hogg

SENDCo:

Miss Jordan Feeney

Key Contact:

Mrs Vicky Hogg

Description of Unit

The unit accommodation will be in a new building with two bright and airy classrooms, outdoor learning area, toilets, disabled toilets, shared break out space and a meeting room.

The unit consists of two classes of a maximum of nine pupils. Each class will be staffed by a teacher and a learning support assistant who have experience of working with children with moderate learning difficulties.

The unit will cater for children who are significantly below their peers in reading, writing and maths.

Overview

The unit will be an integrated part of the main school, enabling access to the main building, hall, playground and library. Children will be able to access the extensive outdoor space by a slope to enjoy an outdoor gym and range of resources. It is hoped that the children, with support, will be able to interact with their peers both at play and lunch, developing positive and rewarding relationships.

The needs of the individual child will be carefully assessed during the initial transition period as they begin to settle into their new class. A personalised curriculum will be written and developed overtime to ensure individual needs are met. When appropriate, this will include opportunities to join classes to learn alongside their peers. This may include lessons such as English, Mathematics and PE. The children will also be welcomed to assemblies and special events so that they feel very much part of the school.

Although the children will be expected to wear school uniform, adaptations can be made to support self-care and individual needs. Families will have access to the unit's own page on Class Dojo and website so as to support regular communication and updates.
